

Best Practices for Disclosing Open Safety Recalls!

Due to recent enforcement activities of the NYS Attorney General, NYSADA is suggesting that our members disclose open safety recalls to customers by the utilization of a disclosure document and window sticker.

Dealer Disclosure Forms for Open Safety Recalls

This two part NCR form is designed to help a dealership make a good faith effort in disclosing to a customer that a vehicle being sold is subject to an open safety recall according to **Safercar.gov**. This document language was provided as a sample recall disclosure by a NYS Assistant Attorney General. (This is not a legal document)

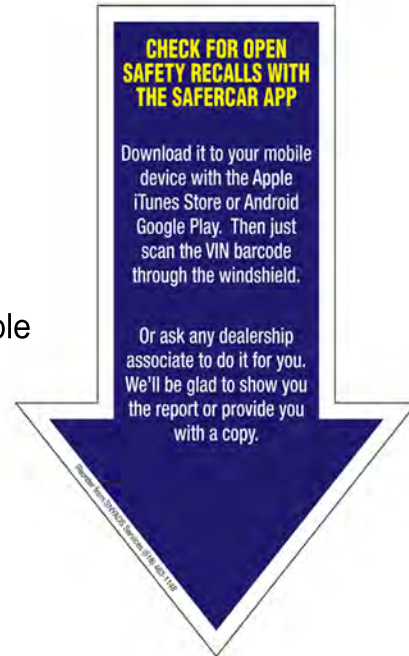

Price: \$10 for a package of 100

Open Safety Recall Window Decals

This 8"x5" vinyl exterior window cling decal was created by exactly copying a sample NYS Assistant Attorney General document. Placed above the VIN plate, the decal informs a customer of the *safecar app*, how to download it, and check if a vehicle being sold is subject to an open safety recall according to **Safercar.gov**. Careful removal will allow for multiple uses.

Price: \$35 for a package of 25 decals

To order the disclosure form or window decal, either fax this order form to 518-463-7998 or email it to kellyb@nysada.com. For all other inquiries please contact Kelly Browe at 518-463-1148 ext. 304
